Andean Community	21
Colombia	21
EU and European Patent Office	22
UK	22
LIST OF LEGISLATION	23
International	23
Andean Legislation	24
Colombia	24
Europe	25
Peru	25
ABBREVIATIONS	27
CHAPTER ONE: INTRODUCTION	29
Colombia's place in the world and its implementation of the International Regime on Access to Genetic Resources and Benefit Sharing	31
The Key Research Question	35
The Approach and Method of the Book	35
Who Will Be Interested in the Research?	47
The Scope of the Book	49
The Book Road Map	54

CHAPTER TWO: A REVIEW OF THE INTERNATIONAL REGIME ON ACCESS TO GENETIC RESOURCES AND BENEFIT SHARING	61
Introduction	61
The Wording of the International Regime on Access to Genetic Resources and Benefit Sharing: From the UN Convention on Biological Diversity to the Nagoya Protocol	68
Conservation, Sustainable use, Sovereignty, Developing Countries Rich in Biodiversity's Stewardship Role and Developed Countries' Obligations in the UN Convention on Biological Diversity	69
The Third Objective of the UN Convention on Biological Diversity: The Cornerstone of the International Regime on Access to Genetic Resources and Benefit Sharing	73
The Definition of Genetic Resources	74
Genetic Resources in the Wording of the Article 2 of the CBD	75
Genetic Resources in the Bonn Guidelines and the Nagoya Protocol	76
The Legal and Administrative Mechanisms for Access to Genetic Resources and Benefit Sharing	84
Prior Informed Consent	85
Indigenous and Local Communities' Prior Informed Consent	86
Mutually Agreed Terms and Benefit Sharing	88
The Implementation of the International Regime on Access to Genetic Resources and Benefit Sharing	90
Balance of Power among Countries and Intellectual Property in the International Regime on Access to Genetic Resources and Benefit Sharing	95
The Problematic Aspect of Finding a Solution to the Issues of Biopiracy and Compliance of the International Regime on Access to Genetic Resources and Benefit Sharing	98
The Complexities and "Messiness" behind the Use of Biodiversity	107

Improving Compliance in the Implementation of the Nagoya Protocol: Lessons from the EU	110
Conclusions	118

CHAPTER THREE: THE PARTICULARITIES OF THE COLOMBIAN LEGAL SYSTEM	121
Introduction	121
The Colombian Constitution 1991: Reconciling Economic Development and International Trade with Communities' Rights	125
The 1991 Colombian Constitution and the Rights of indigenous, Afro-Colombia, and local communities	128
The Access and Benefit Sharing Regime in the Andean Community and Colombia	136
The Andean Community, the Colombian Constitutional Regime and ABS Implementation	137
Harmonising the Andean Legislation in Colombian Constitutional and Legal System	139
The Constitutionality of the Andean Community's Legislation in Colombia	140
Regulating Particular Aspects of Decision 391 in Colombia: Property Regime over Colombia's Biodiversity, and the Scope of the Definitions of Biological Resources, Genetic Resources and Traditional Knowledge	142
The Procedure	146
Mechanisms of Compliance: From Administrative and Criminal Sanctions to Disclosure of Origin in Patents	148
The Andean and Constitutional Protection of Communities' Practices and Knowledge Associated with Genetic Resources	152
The Difficulties in Protecting Communities Rights in the Light of Colombian Government Administrative Decisions	155
Conclusions	159

CHAPTER FOUR: MAKING GENETIC RESOURCES AND TRADITIONAL KNOWLEDGE PUBLIC: A TALE OF INNOVATION AND ACCESS IN COLOMBIA	163
Introduction	163

The Implementation of the International Regime on Access to Genetic Resources and Benefit Sharing and Holders of Technology	169
Innovation Policy behind the Exploitation of Genetic Resources	178
Colombian Innovation Policy and Bioprospecting	180
From Public to Private: The Cases of the Dividivi and Anamú in Colombia	187
The Dividivi	188
The Anamú	212
Lessons from the Dividivi and the Anamú	217
Conclusions	224

CHAPTER FIVE: COMMUNITIES' TRADITIONAL KNOWLEDGE AND PRACTICES AT THE SERVICE OF THE HERBAL INDUSTRY IN COLOMBIA	227
Introduction	227
The Two Paths of the Natural Products Market in Colombia: the Growing Herbal Industry and the Urban Markets	235
The Colombian Herbal Industry	237
Yerbas la Mona and Oscar Sanabria	254
Oscar Sanabria	262
Documenting Information on Medicinal Plants	274
Conclusions	281

CHAPTER SIX: SUSTAINABLE AND INCLUSIVE INNOVATION IN HEALTH RESEARCH AND HEALTH INDUSTRY	283
Introduction	283
Sen's Capability Approach and the Capability for Sustainable Innovation	290
The Capability for Sustainable Innovation in Health Research and the Health Industry	301
Why the Capability Approach?	307
The List of Functionings	313
Possessing Genetic Resources for Benefit Sharing	314
Being Able to Take Part in the Industrial Application of Genetic Resources and the Benefits that Arise from it	315
Being Able to Add Value to Health Research and the Health Industry	316
Conclusions	317

CHAPTER SEVEN: THE CAPABILITY FOR SUSTAINABLE INNOVATION FOR THE HEALTH INDUSTRY AND HEALTH RESEARCH: AMENDING COLOMBIA'S IMPLEMENTATION OF THE INTERNATIONAL REGIME ON ACCESS TO GENETIC RESOURCES AND BENEFIT SHARING	319
Introduction	319
Possessing Genetic Resources for Benefit Sharing: Addressing the Problem of Placing Practices and Knowledge into the Public Domain	329
Being Able to Take Part in the Industrial Application of Genetic Resources and the Benefits that Arise from it	336
Being Able to Add Value to Health Research and Health Industry	342
Conclusions	350
 APPENDIX I	
SCHEDULE OF INTERVIEWS	353
 BIBLIOGRAPHY	355
